ARIES '65

Published by ARIES Staff of Richfield High School, Waco, Texas Volume III

Symbolic of Richfield and all the people concerned with it, Aries, the constellation of the ram, stands proudly in the sky. Just as all the stars of the sky have been representative of the whole of human endeavor since time began, the particular stars of Aries represent singly the various fields or departments in Richfield and collectively the whole attitude of the student body. That attitude, the Spirit of the Ram, exemplified all year long, is a powerful emotion responsible for the year's successes. This book is the story of the accomplishments of 1964-65, the fulfillment of the constellation Aries, the Spirit of the Ram.

STUDENT LIFE

Just a little more time to talk before the bell rings.

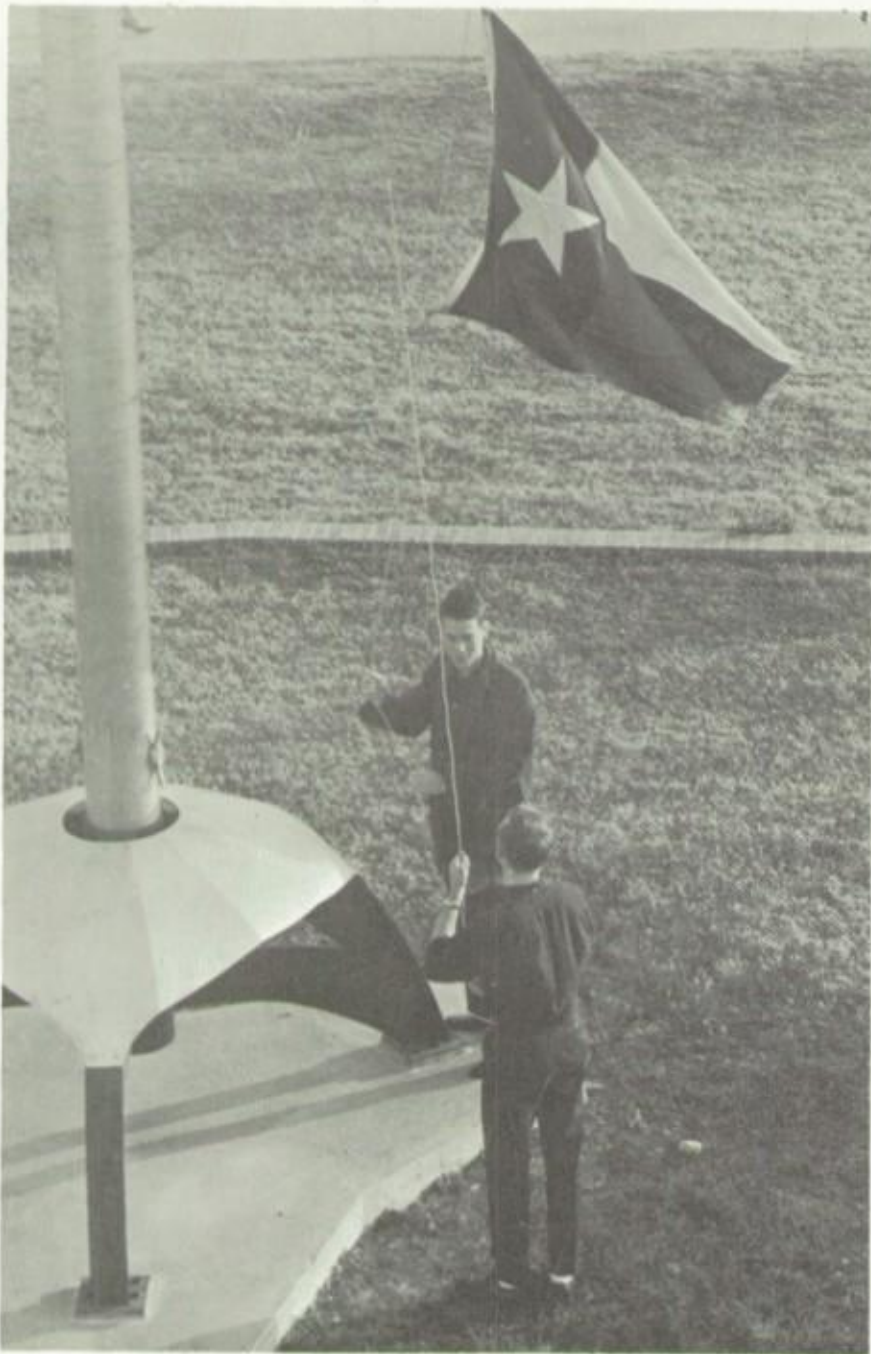

Richfield opens its doors for another school day.

Early Morning at Richfield

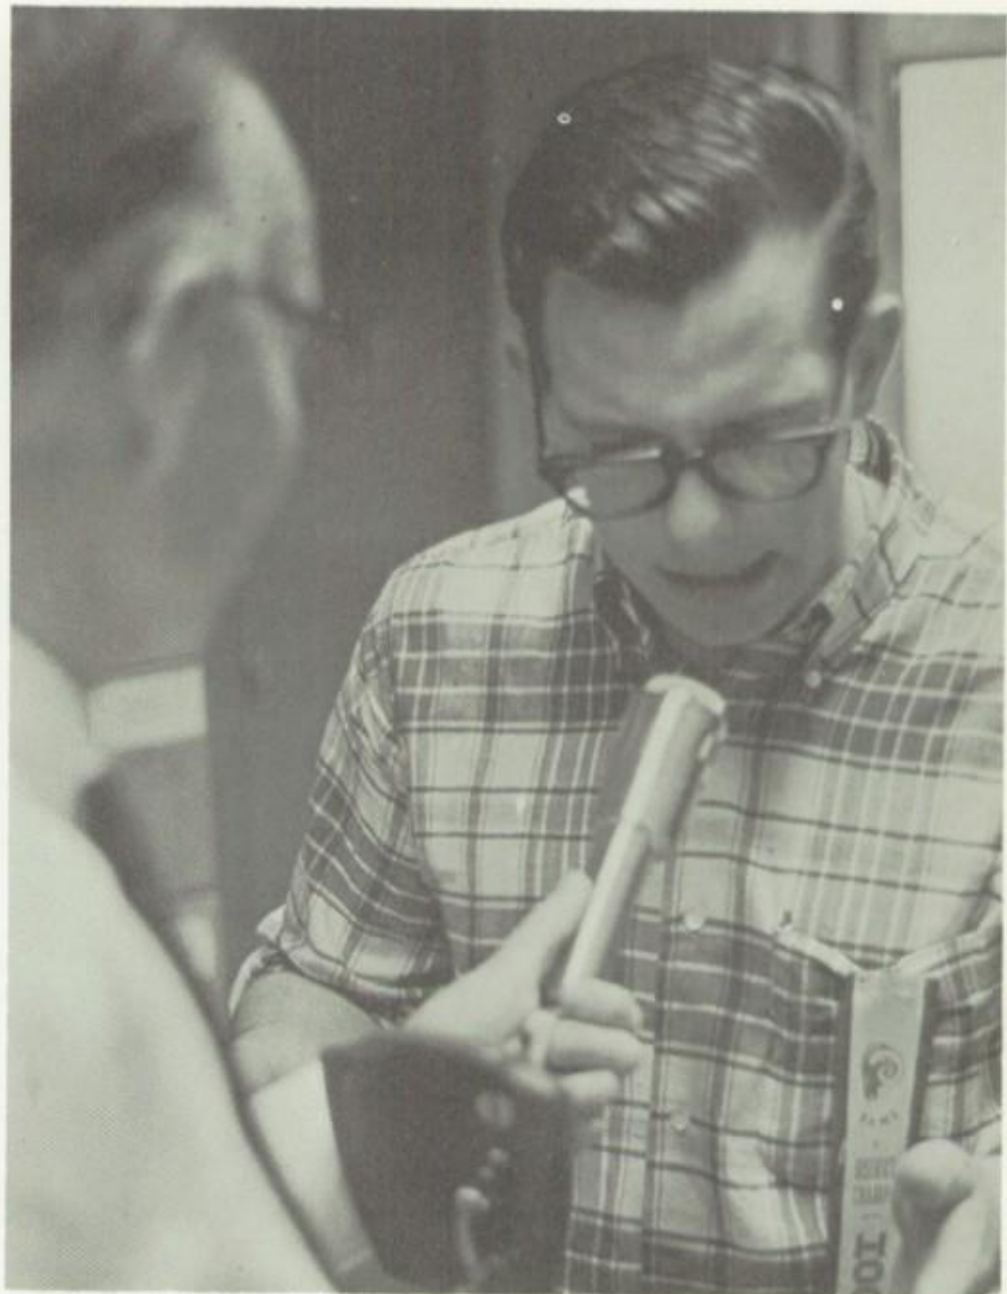

The last few students drift in before the bell.

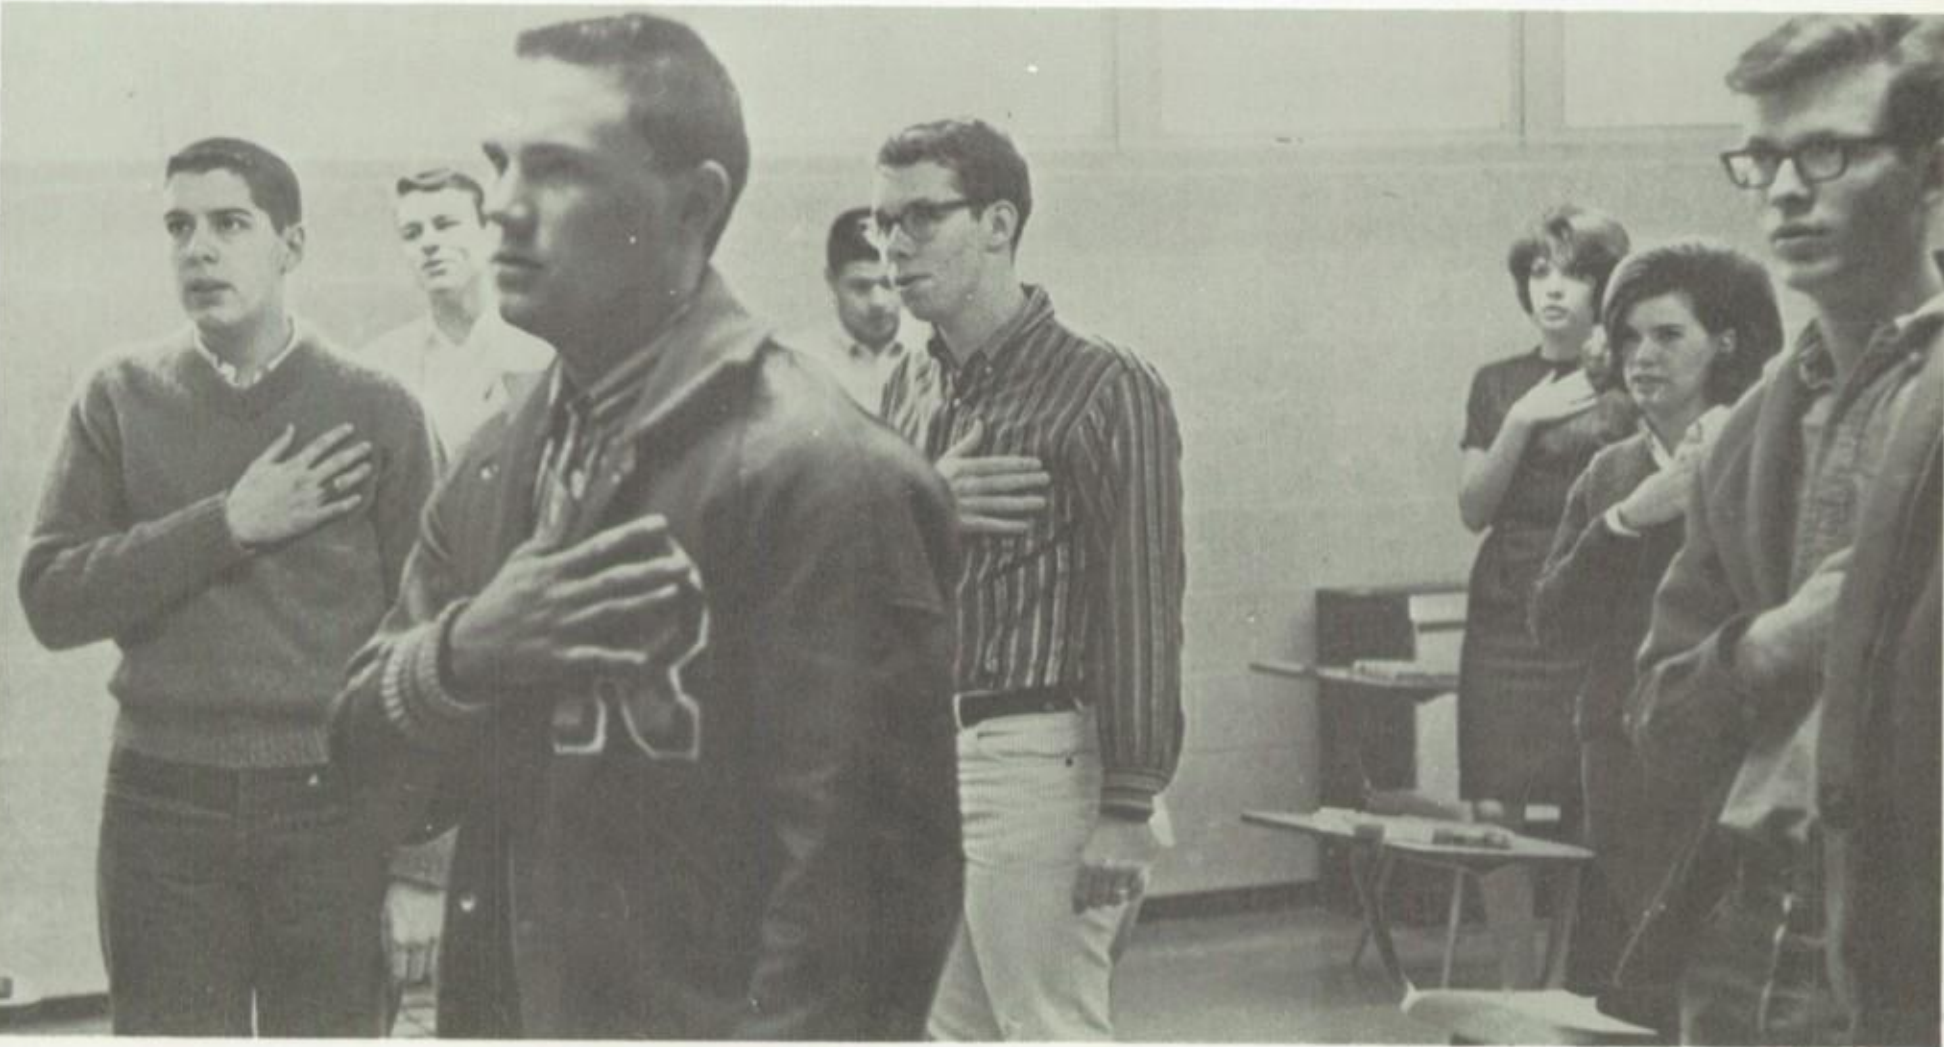

The school day begins with the raising of the flags of the United States, Texas, and often, the Victory Flag.

Craig Belknap urges the students to come out to the games.

While Mac Arnold and Lawrence Dibb raise the flag outside, students inside pledge allegiance.

Hundreds of books line the walls of the Richfield library for all students to check out.

Senior Committees

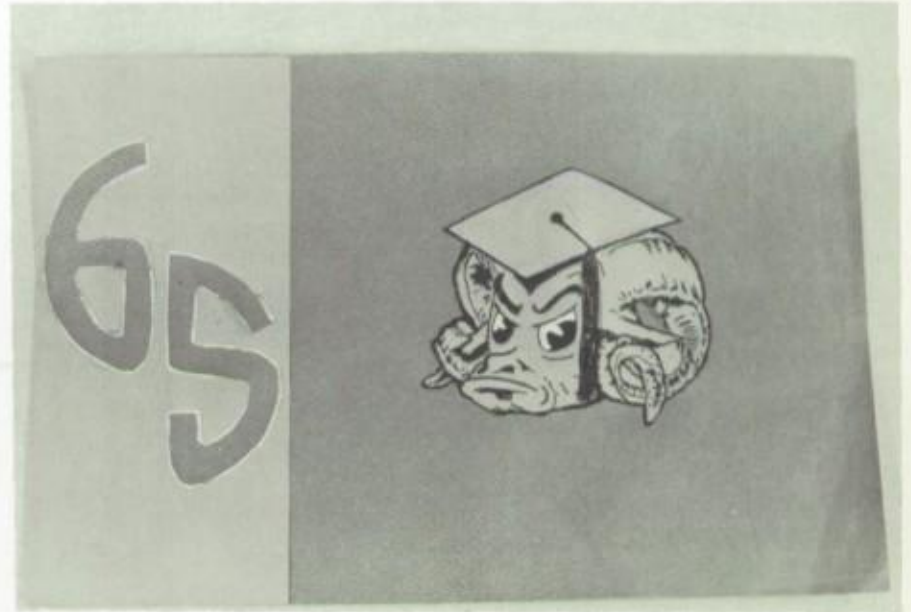

Senior Recognition Committee meets to discuss plans for Recognition Day.

The Senior Class Committees are designed to represent the wishes of the class through the homeroom members of the committees. The committees, with the aid of the faculty, plan such matters as the senior flag, the prom, the gift, and the speaker for commencement. The committees also help establish traditions, class spirit, and class unity.

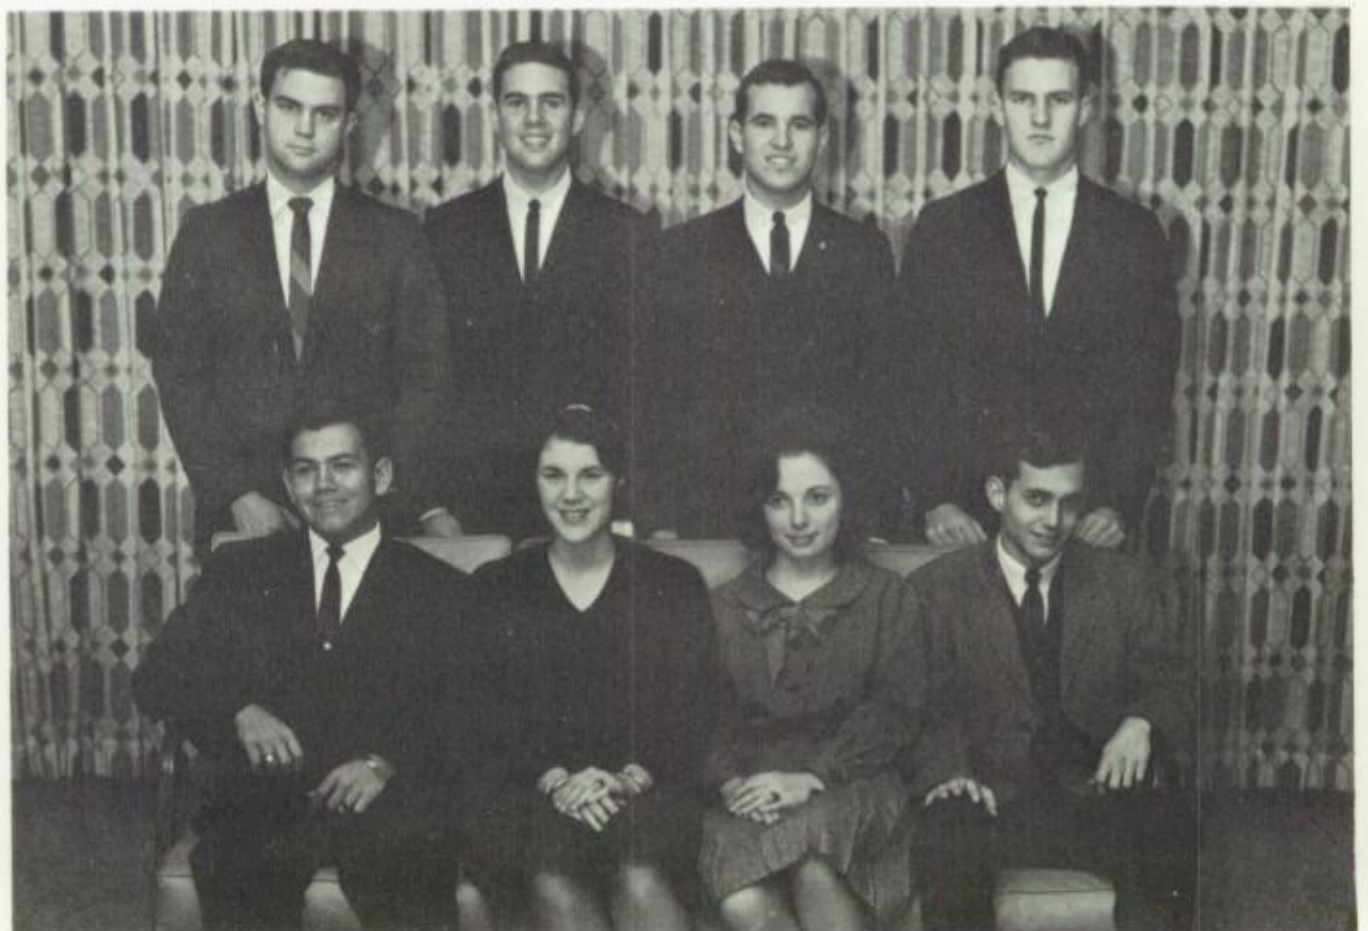

Decoration Committee talks over ideas concerning decorations for the Prom.

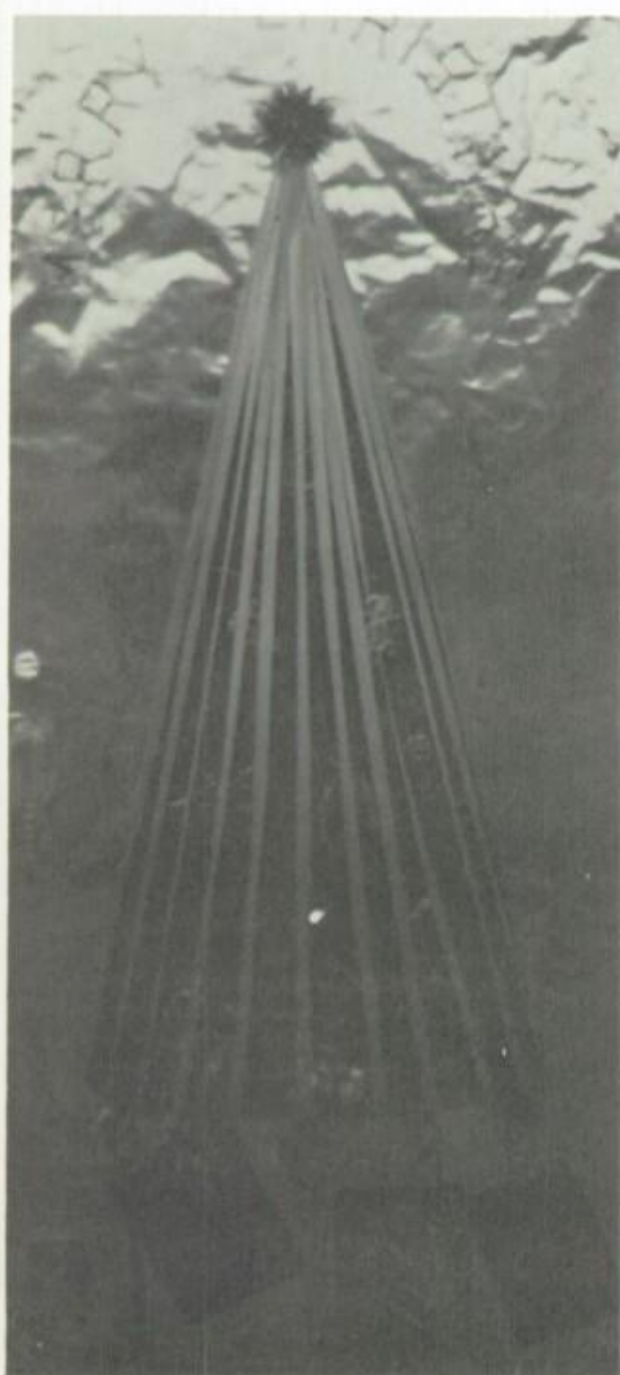

The Historical Committee approved this plan for the Senior flag.

The chairmen of the Senior Committees are: Seated: Gary Meier, Gift Committee; Jan Smith and Susan Rogers, Recognition Committee; and Mitch Parks, Historial Committee. Standing: Larry Walker, Invitations Committee; Steve Beckhim, Scholarship Committee; Don O'Neil, Social Committee; and John Harris, Graduation Committee.

Art Projects

Carol Maw studies her part intently as big night nears.

The unique aura of the Spanish play, "Blood Wedding", was accentuated by stylistic makeup, interpretive ballet, moaning human trees, and a haunting Flamenco guitar. The setting was a natural melancholic wilderness in Spain. To maintain authenticity in the play, a real baby was used for the lullaby scene, and guitar music was added throughout the play. The story concerned a young girl with two loves. On her wedding day she eloped with her secret love. Her sad plight ended with the death of both young men.

Male members were John DeLuca, the bridegroom; Jim Progar, the bride's father; and Mike Howard, Leonardo. Also included in the cast were Denny Gay Jones, Elaine Matties, Carol Maw, Donna Oliver, Wendy Percy, Cindy Wilkin, Gem Hudson, Tommy Erwin, Judy Densmore, Sue Ellen Inmon, Judi Huessner, Jo Betsy Curb, Carolyn Power, Paula Levine, Barbara Brown, Ken Garrett, Susan Batson, Judy Quick, Jane Davis, Vicki Bridges, Linda Rewett, Pat Abriett, Russ Borders, Kathleen Pearson, and Jim Springer.

This spring, Richfield High School was the host to the state Junior Classical League Convention. At state conventions Latin students from all over Texas compete in various contests, such as costume, classical mythology, and derivatives. The school which earns the highest number of points in these contests is awarded a sweepstakes trophy. By participation in state and national conventions, the JCL helps to promote interest in the study of Latin.

Vox Arietum, a magazine published by JCL members of Richfield High School, also promotes interest in Latin. The purpose of this magazine is to advance knowledge about Roman civilization through stories on Roman life, culture, and customs.

PASF students look over souvenirs from Mexico including puppets and a pinata.

The Pan American Student Forum consists of students taking Spanish. The members of Los Voladores, the Richfield chapter of the PASF, strive to develop an understanding of all the peoples in the Western Hemisphere. This understanding helps to spread good feeling among the American nationalities.

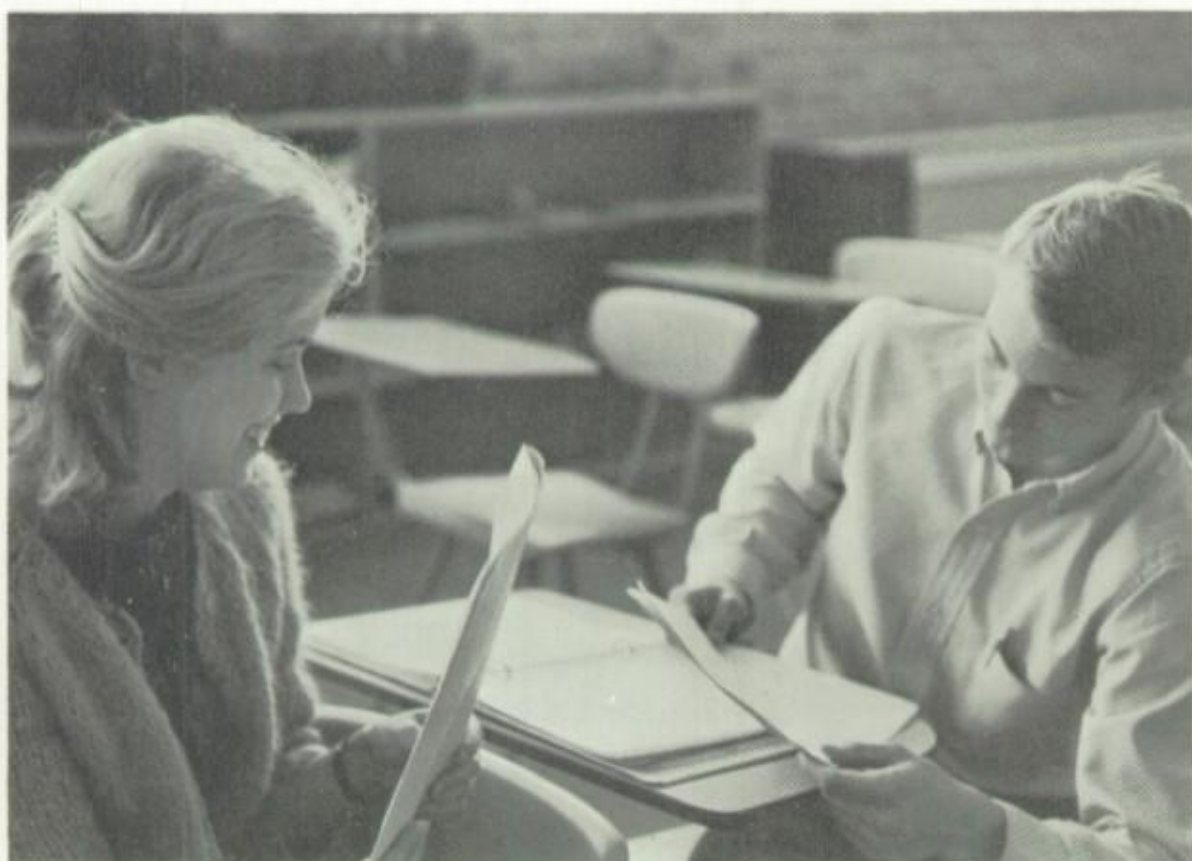

The chapters of the Pan American Student Forum from numerous high schools meet each year at a state convention to share their knowledge and interest in Spanish. Such conventions encourage the learning of Spanish as a medium of communication.

Shown are tri-captains Tom Bond, Bill Dietz, and Roy Taylor with the 1964 Homecoming Queen Donna Goerdel.

Five Richfield players were named to the all-zone team. Left to right they are: Carl Weaver, Roy Taylor, Ray Goodman, Bill Dietz, and Terry Reisig. Those players receiving honorable mention are: Tom Bond, Jerry Chatham, Robert Forsythe, Johnny Griffis, Rick Johnson, Darnell Losak, and Kent Starr.

Touchdown!

Rams Blitz Bisons In Opener

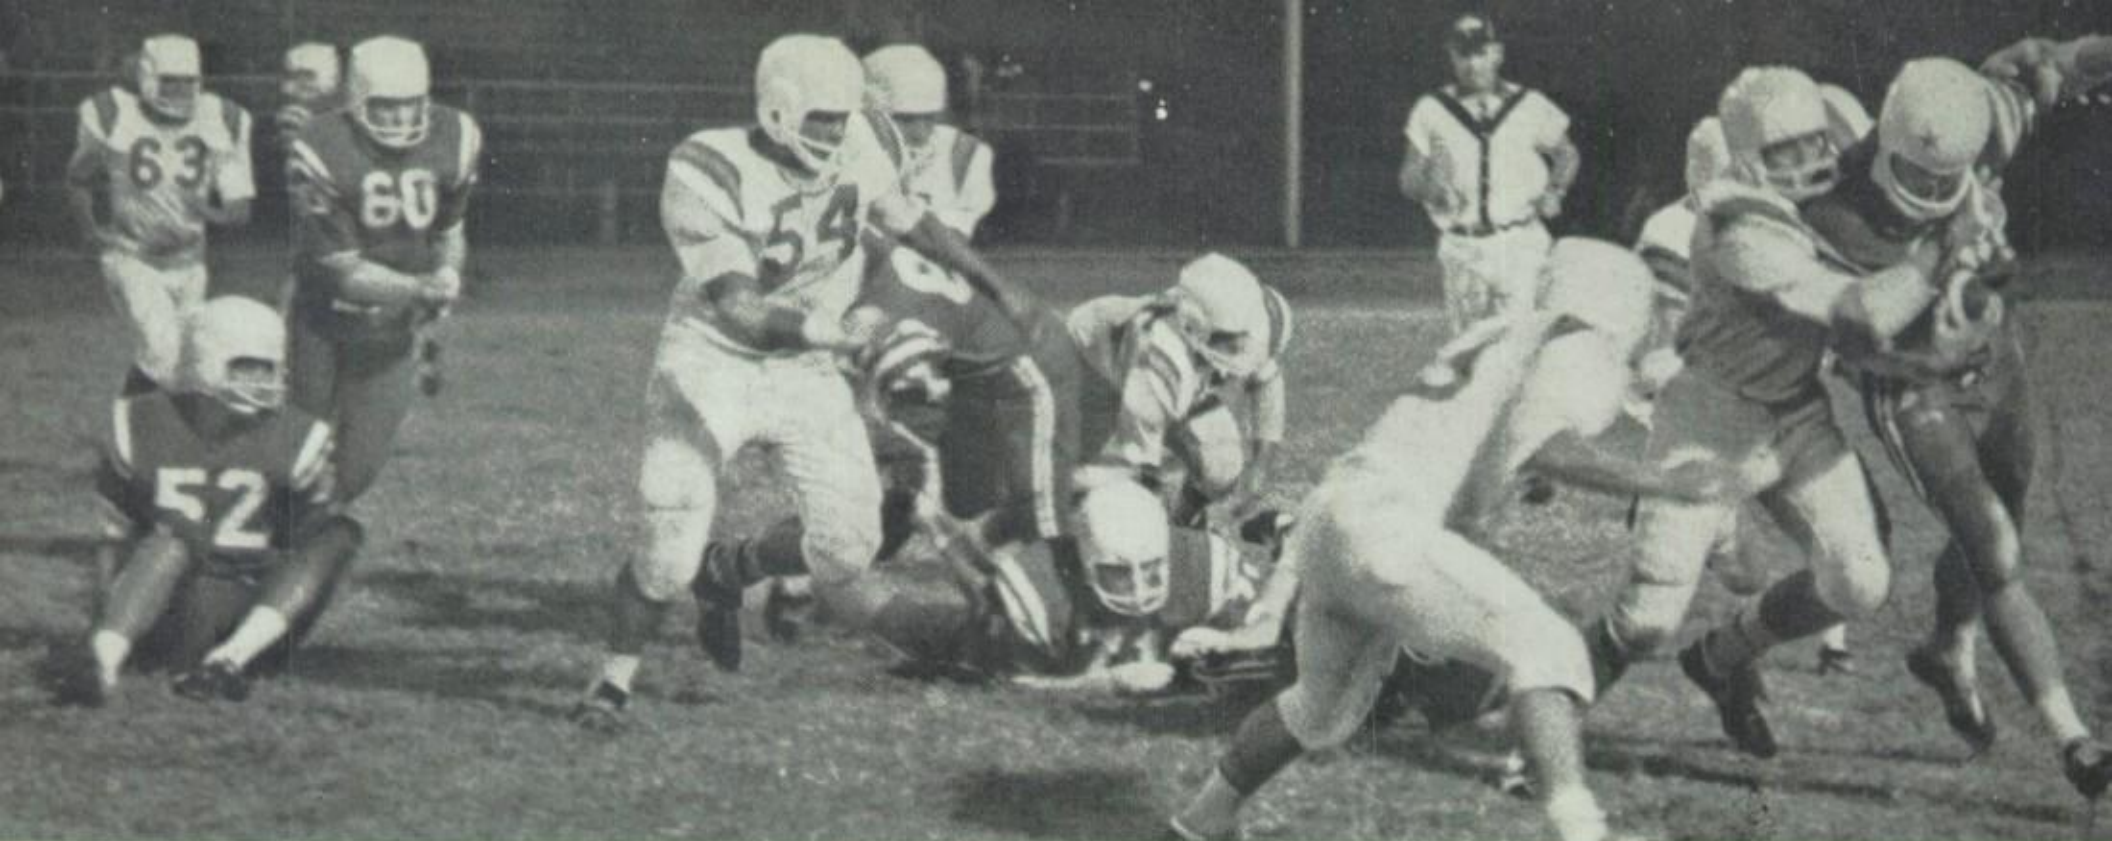

The Rams opened their 1964 season by blasting the Sunset Bisons 28-0. Bill Dietz' first appearance as full-back was a mighty one. Darnell Losak, Jimmy Crow, and John Griffis seemed in full form for the first game. Defensive standouts were Tom Bond, Roy Taylor, and Jimmy Smith. Bond set up the first touchdown by recovering a fumble on the Sunset 10 yard line. After Terry Reisig's 1-yard dive for the second touchdown, the Rams led 14-0 at halftime. Then the Rams plunged 60 yards in four plays as Dietz ran 33 yards to score. The final scoring came when Smith intercepted a pass and set up an 80-yard, nine-play drive. Dietz scored making the score 28-0.

Johnson catches pass for first Richfield touchdown.

The Richfield Rams came out on top in a tight defensive game against the Johnston Rams. The first quarter was all Johnston. Then after Johnston scored early in the second quarter Richfield seemed to come alive. Dietz drove 28 yards in 5 carries and then a 17-yard pass from Terry Reisig to Rick Johnson put the Rams on the board. The final scoring came in the third period when Richfield banged 42 yards in 11 plays with Losak and Dietz alternating for the yardage. Reisig made the touchdown on a keeper and added the extra points making the score 14-7. Early in the fourth quarter Kent Starr saved the day by stopping James Medlax 2 yards from paydirt. Richfield was never threatened again.

Rams Run Over Rebels, 6-0

Row is tackled by Tyler Rebel as he
ns with pass.

A brilliant defense and a pass interception by Darnell Losak stunned the Robert E. Lee Rebels and pushed the Rams ahead 6-0. The stingy Ram defense stopped the Rebels cold the second half, not letting the Rebels pass their own 49 yard line. During the first quarter the Rebels drove to the Richfield 11 yard line, but the Rams held tight. The deciding play came during the second period when Losak picked off a pass hurled by Mike Rowan. Losak was hit at the 35 but recovered and breezed down the sideline to the end zone. After recovering a fumble at midfield the Rams faced fourth and thirteen when Dickie Wooten's punt touched a Rebel, bounced off and was recovered by Ray Goodman at the 15. The Rams drove to the 4 and on the fourth down tried for a field goal which failed. The score remained 6-0.

Richfield ran over highly-regarded Arlington Heights, 18-7. Although the Rams had 24 first downs to Arlington's 5, they came from behind for their fourth win of the season. The Jackets scored first, but the Rams drove 63 yards in 17 plays for a score by Reisig on the fourth down. On their first second-half possession the Rams drove 61 yards in 6 plays. To complete the drive, Reisig passed to Crow, who grabbed the ball and breezed into the end zone. Richfield's third touchdown covered 86 yards in 18 plays with Dietz scoring.

Mavericks Edge Richfield, 12-6

The Richfield Rams were upset after four wins by the Marshall Mavericks, 12-6. At the end of the third period the score was tied 6-6 when Terry Reisig, after a hard hit by Marshall defender, Don McElvogue, fumbled and Jim Ethrite caught the ball and ran 34 yards to the end zone. Early in the fourth quarter the Rams marched to the Marshall 26, but the Mavericks braced and held for four downs.

Rams Topple Trojans, 14-7

"Hey, Taylor, where's the ball?"

Rams Painter (20), Griffis (77), and Richard (33) stop a Trojan.

The Rams came from behind in the fourth quarter of the first district game for a 14-7 victory over a gallant University High team. Dietz, who moved from fullback to left halfback to replace injured Losak, made the first score after a 61-yard, 9-play drive. Then the Trojans scored and kicked the extra point making the score 7-6. Then came the break. Hays Moore recovered a fumble late in the third period that left the Rams only 31 yards from paydirt. After moving 31 yards in 10 plays George Richard scored on the fourth down. This put the Rams ahead 14-7. Then after a passing flurry by the Trojans another fumble, recovered by Bob Mosley, gave the Rams the ball for the rest of the game.

Rams Stomp Cleburne, 28-6

Dietz made the first touchdown in a 28-6 game against Cleburne with a 41-yard burst and then a 3-yard dive to close a 50-yard, 5-play drive. Griffis kicked the first of 4 extra points, making the score 7-0. Then late in the second period, George Richard recovered a Cleburne fumble. On the first down Reisig fired down the middle to Crow, who romped 15 yards for a score. Then, in the fourth stanza, Cleburne's fourth down gamble failed and the Rams took over on the Cleburne 18. Four plays later Reisig scored. The Jackets took the kickoff, but their first down effort failed when Dietz intercepted and weaved 45 yards for another score just 28 seconds later. Cleburne's only score came from a fumble recovery in the fourth period.

The Richfield Rams were shocked at their homecoming game by the Waco High Tigers, who scored two lightning first quarter touchdowns to upset the Rams, 14-7. The first shocker was a first-possession touchdown with C. A. Miller sweeping right end for 28 yards. Next, the Tigers cashed in on a short Richfield punt for their second score. The Rams' score came after Jim Parrish recovered a fumble by Luft. After Reisig's gain of 6 yards on a fourth and five, Milton Painter scored. Griffis made the extra point. A goal line stand by the Rams came in the fourth quarter. Later the Rams had a fourth down and 1 yard to the goal. Reisig slammed over left guard and appeared momentarily to be over. Then Reisig was stacked by a gang of Tigers and the ball was spotted 6 inches from the goal. A thousand Ram-backer's hearts broke as the Tigers took over and ran out the clock.

The tough Ram defense again came through in an even-
stephen—except for one Ram burst—game on the muddy
field of the Stephen F. Austin Broncos. The Rams cropped
up 8 first downs to the Broncos 9, while Richfield had 110
yards rushing to Austin's 90. The only score of the night
came on a pass interception by linebacker Tom Bond, a de-
fensive demon all night, and a 10 yard jaunt by Dietz, by
far the most determined runner of the night. Other than
the one burst the game tottered back and forth all night.
The tremendous Ram defense was led by Griffis, whose
field goal attempt was inches short, Parrish, Forsythe, Starr,
and Bond. Reisig and Richards both did sufficient damage
offensively to the Broncos.

100% Desire Wins Zone

The Rams blew down the Corsicana Tigers, 29-15, to win the 13-AAAA north zone championship. A score by Dietz put the Rams on the board first. The Tigers scored, but a 51-yard pass from Reisig to Painter put the Rams ahead 14-7 at the half. Then a third period pass interception by Wooten set up the third touchdown and Dietz scored. A fourth quarter jump pass from Reisig to Johnson put the Rams ahead 29-7. The Tigers scored again making the final score 29-15.

Rams Capture District, 12-7

Rams Losak (34) and Wooten (14) reach to save ball from Jacket's hands.

As in the McCallum game, Griffis was often called upon to kick extra points for the Rams.

The four-year old Richfield Rams won their first district championship in a game that showed 100% effort and desire from players as well as from fans. Fourteen busloads of Ram fans unloaded to see a game that was to leave them breathless. The mighty Rams put the winning points on the scoreboard with only 37 seconds left in the game after a 48-yard, 12-play drive. Jimmy Crow's fielding of a Knight punt at midfield started the Ram march. Then 12 plays later, with fans going wild, the determined Ram squad pushed Dietz over on third and goal from the 2 yard line. The stadium was quiet enough to hear a pin drop until the referee's hands flew up. Then the crowds roared. It did not matter that the extra point failed. Nothing mattered except that the mighty Richfield Rams had won!

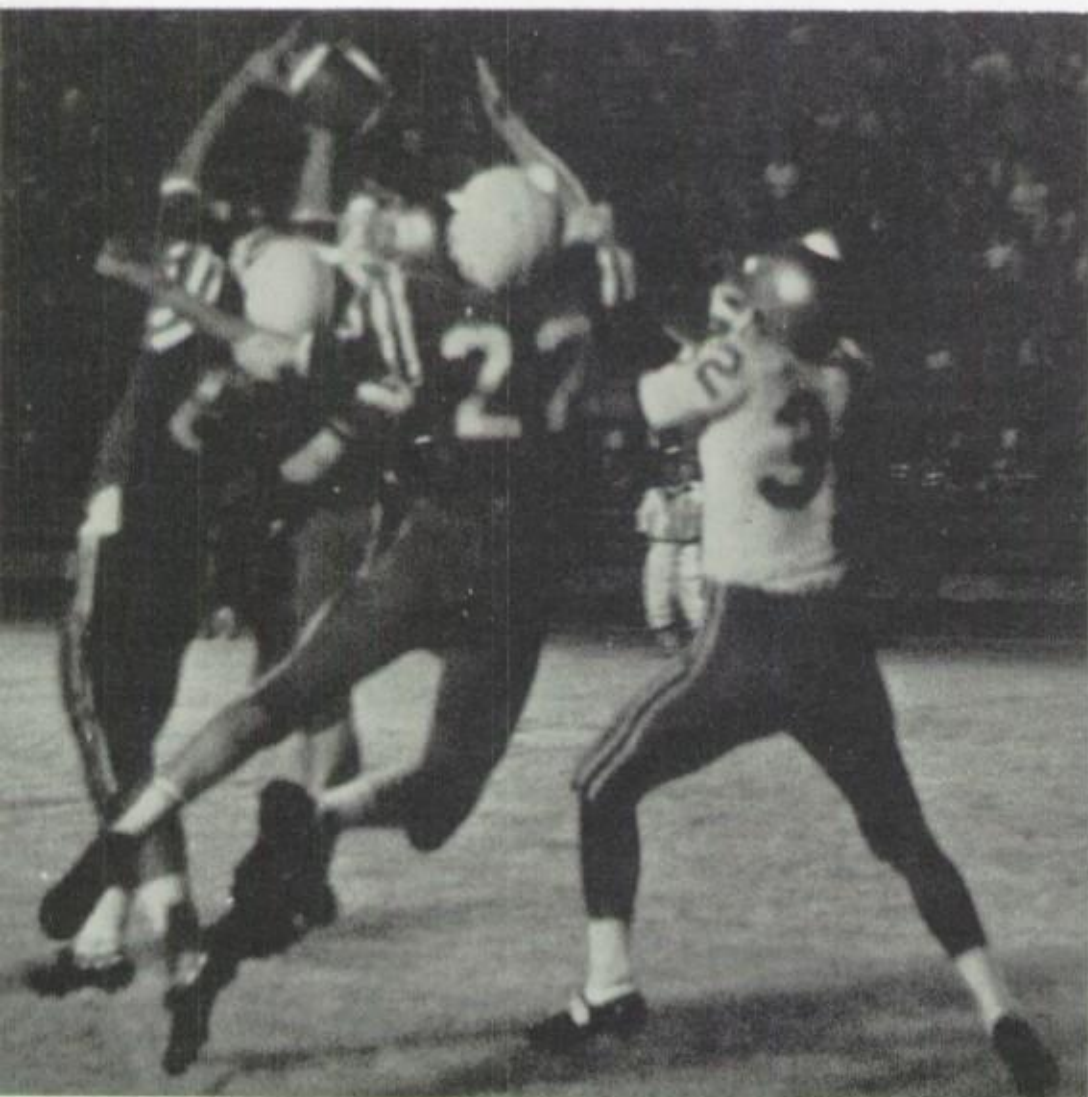

Reisig struggles to keep the ball from the clutches of McCallum defender.

The Rams broke into an early 14-0 lead in an exciting game against the McAllen Bulldogs. A 75-yard scoring burst by Dietz and a 13-yard touchdown pass from Reisig to Johnson put the Rams ahead. Then a 1-yard plunge by Bulldog Eddie Schneider cut the margin to 14-6 at the half. Ray Goodman made a fantastic falling catch on a pass from Reisig for the third Ram touchdown. But then the hearts of the Rams broke as the Bulldogs scored twice and added the extra points, making the final score 22-21.

Rams Have Successful Season

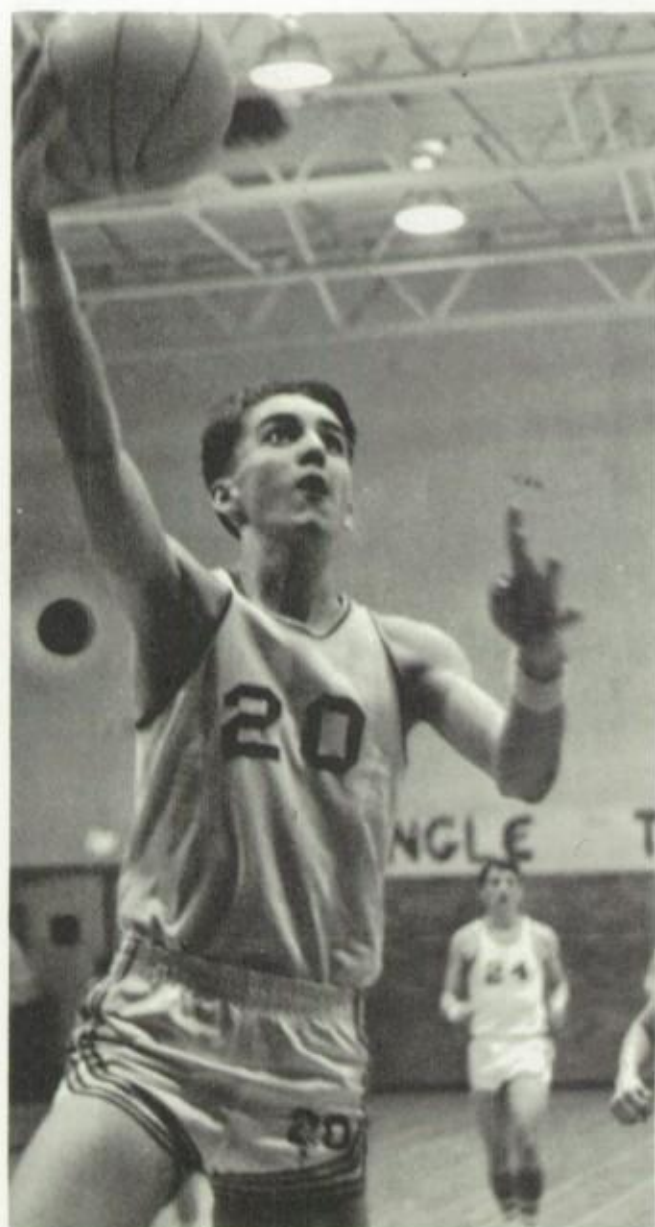

The Richfield Rams, who had been picked high in 13-AAAA competition, started zone play with a disappointing 5-12 record. The Rams had height and experience, but just could not develop consistency.

However, even with the disappointing pre-zone record, the Rams bounced back for a 7-3 record in zone play and third place in district 13-AAAA.

The first zone game played against Corsicana, saw the Rams pushed for a 52-41 victory by the Tigers. David Fisher was the most productive Richfield scorer with 15 points. He was followed by Billy Litton, who made 11 points. The game was close most of the way, but the Rams were hurt when Byron Chandler fouled out. The loss put the Rams 0-1 in district competition.

Next the Ram cagers tackled the University Trojans coming out with a winning score of 64-59. The crucial points were added in the pressure-packed, final three minutes with Litton adding a field goal and two free shots and Fisher sinking two free throws. The bout was a see-saw battle all the way, but the Rams came out ahead in rebounds and field goals.

The Rams, finally putting their best side forward, bypassed the Cleburne Yellow Jackets, 57-47. The win made the Ram's record 3-1 in zone competition and gave them a good chance for the zone title. Johnson put in 14 points, Reisig 12, and Chandler 11.

Then the Rams humiliated the rival Waco High Tigers with a brutal 53-34 victory. A standing-room-only crowd saw the Rams take the lead and stay ahead most of the game. Chandler set the scoring pace for the Rams with 12 points. The red-hot Rams held the Tigers to 3 points in the second quarter.

The Bryan Broncos gave the Rams trouble most of the first half, but the Rams still came out on top at halftime, 37-29. The Rams stayed ahead the rest of the game ending it, 73-60. Fisher was high scorer with 19 points. Litton hit 15.

Cleburne scared Richfield, but the Rams held on for a 53-51 lead. Litton and Johnson led the scoring with 14 points each.

In the Ram's last game, they were edged by the Waco Tigers in a 53-51 see-saw battle that was a matter of who was ahead when the buzzer sounded. Litton and Dickie Wooten led the scoring with 12 points each.

The Richfield track team started the 1965 season off "with a bang" in a practice track meet in which Waco High, University, Bryan, and Richfield participated. There were no official scores taken, but Richfield did very well — especially in field events.

In the Waco Tournament, Richfield came in second with a total of 73 points. Johnny Griffis set records in the discus throw and shot put. Sophomore Jimmy Miller set a record in the 880-yard run. The team won the district championship. Griffis was second high point man with 20. Going to regional were Griffis, Miller, Kent Starr, Ed Jarrett, Jimmy Crow, Earl Peevey, Milton Painter, Dickie Wooten, Walker Harman, and Peeler Williams.

CAMDEN, ARKANSAS

From one end of Richfield to the other, every person is important because everyone is part of the Ram Spirit. Individual students form small groups like the Key Club or the junior class which in turn make up the larger groups represented by the stars of the constellation Aries.

All the stars taken together symbolize the Spirit of the Ram. Any deficiency in just one of the stars, in any smaller group, in any one person lessens the Ram Spirit and the brilliance of Richfield's own constellation. Our school élan is one to be proud of, to remember for life.

Remember this year as one of new challenges, new promises, new achievements, and new ideas. But remember it most because it was a year of new fulfillment of the Spirit of the Ram, for you have made it so.
